

## People in Hong Kong – past and present

Hundred years ago, people in Hong Kong used to be farmers and fishermen. They did not know how to write and read. People used to have three wives. They used to have five sons and six daughters. People used to live in the village. They used to have two cows, fourteen chickens and three pigs. People used to get water from the well. They used to feed the ducks. People used to make clothes for children.

Nowadays, people in Hong Kong are usually managers, merchants, teachers and shopkeepers. They usually graduate from universities. They can write and speak Chinese, English and Mandarin. They usually have one wife. People usually have one son and one daughter. They live in cities and in towns. People usually take a bus, MTR and drive a car to work. They usually have two apartments and two cars. People like to surf the Internet, play video games and play NDS. People go shopping at weekend. They like chatting on line. People like eating pizza and steak.
