

## A visit to the old people's home

Last week, our school went to visit an old people's home when it was 'Be kind towards other people' week. Before the visit, our school prepared a lot of things for the old people.

All P.6 students went to the visit. In the morning, we walked to the old people's home and walked pass the Kowloon Tong MTR station. When we arrived at the old people's home, the old people was quite nice. In the afternoon, we cooked lunch for the old people. After lunch, the old people showed their old photos to us. Then we performed a show. While Jon was playing the piano, Harry was playing the violin. And Tim and I danced. The old people were very happy. Although they did not clap their hands very loudly, I know they enjoyed very much.

Finally, all the P.6 students took photos with the old people. We also exchanged with one another phone numbers. I had a wonderful time with my classmates and the old people.
