Purchase of recorder arrangements

Dear Parents,

In order to encourage every senior student to learn to play a musical instrument in primary school, this year the school music teachers will start to teach students how to play the recorder from P.3 in music lessons. Students are required to use a Baroque fingering style recorder in music lessons. If a student has never purchased or lost a recorder, parents can choose to purchase one by themselves or the school can help them purchase recorders from the Tom Lee Music. The price will be \$45 each.

If parents want to purchase recorders with the help of the school, please indicate this in the reply slip below and pay the exact fees (\$45).

For enquiries, please feel free to contact Miss Tam Cheuk Yan.
