Dear Parents/ Guardians,

The Government provided a one-off student grant for secondary school, primary school and kindergarten students to alleviate parents' financial burden in defraying education expenses. The provision of the student grant of \$2,500 will be regularised starting from the 2023/24 school year.

Application arrangement

Starting from the 2023/24 school year, the Education Bureau will implement electronic application for student allowances in public sector schools and Direct Subsidy Scheme (Direct Subsidy Scheme) schools. However, each eligible student can only submit one application through electronic or paper means.

e-Submission of Applications
