Student Grant (2022/23 School Year)

Dear Parents/ Guardians,

The Government provided a one-off student grant for secondary school, primary school and kindergarten students in the 2020/21 school year to alleviate parents' financial burden. The provision of the student grant of \$2,500 will be regularised starting from the 2020/21 school year.

The school has received the student application form from the Education Bureau and distributed it to all students. Please complete the application form as soon as possible and return it to the school on or before 10<sup>th</sup> October. After confirming each student's status, the school will return all students' application forms to the Education Bureau. According to the application guidelines, applicants are not required to submit other documents at this stage. The Education Bureau will only require applicants to submit them when necessary. The Education Bureau will inform parents of the progress of their applications via SMS and email in due course.

The relevant form is issued by the class teacher. When filling in the application form, please refer to the instructions on the form carefully. If you have any questions about the application, please call the school and ask for Miss Kwok Siu Fan.
