## The Transition of Winter and Summer Uniforms

Dear parents/ guardians,

The weather is inclined to be warm recently. In order for students to wear appropriate school uniform according to the changeable weather, the school has decided that between 12<sup>th</sup> April and 30<sup>th</sup> April there will be a transition period of winter and summer uniforms. Parents can decide whether to let their children wear summer or winter uniforms according to the weather. Students must wear neat summer uniforms starting from 3<sup>rd</sup> May. For more details about the summer uniforms, please refer to the page 10 of the students' handbook.

Notes:

For the convenience of purchasing school uniforms, the school will store a small amount at school. However, there are limited stock and sizes. If you need to purchase school uniforms, please contact Ms Kwok Siu Fan between 12th April and 16th April.
