**The Transition of Summer and Winter Uniforms**

Dear Parents,

As the weather has recently started to turn cooler, in order for students to wear appropriate school uniforms that suit the changing temperatures when attending classes, the school has arranged a transitional period for switching between summer and winter school uniforms from November 10th to December 8th. We kindly request parents to arrange for their children to wear the appropriate uniform according to the weather changes during this period. Starting from December 9th, students must attend school wearing the complete winter school uniform. For regulations regarding our school's winter uniform attire, please refer to Page 10 of the "Student Handbook."

To reduce the waiting time for parents collecting school uniforms, the uniform distribution arrangements are as follows:

- (1) For students whose fees have been fully paid, the uniforms have been arranged to be distributed directly to the classrooms for the students (all grades) on the afternoon of November 20th (Thursday). Additionally, students who previously ordered the red school jacket will also receive them on the same day.
- (2) For students who still have a remaining balance to pay on the distribution day, parents are requested to come to the school between 12:00 PM and 2:00 PM on November 24th (Monday) to make the payment and collect the uniforms.

If the school uniform does not fit and a size exchange is required, parents must bring the original receipt and the uniform to be exchanged to the school for size exchange during the following time: November 24th (Monday), from 12:00 PM to 2:00 PM.

Mr.Lo Wan Kai (Supervisor)  
Ms. Kwok Yuen Ki (Principal)
