School Parent-Child Stargazing Experience 2.0

Dear Parents,

Last year, our "School Parent-Child Stargazing Experience" received an overwhelmingly positive response. Due to limited capacity, many parents and students were unable to participate. In light of this, the school has once again invited **Mr. Chak Chi Kui**, an instructor from the **Hong Kong Astronomical Society**, to host the "**School Parent-Child Stargazing Experience 2.0.**" We hope to provide an opportunity for those who missed out last time to join us.

Event Details

- **Date:** Friday, January 30, 2026
- **Time:** 6:00 PM – 8:30 PM
- **Venue:** School Playground (Kwok Man School)
- **Instructor:** Mr. Chak Chi Kui (Hong Kong Astronomical Society)
- **Capacity:** 40 pairs (1 parent and 1 student per pair) – Total 80 participants
- **Activities:**
 1. Basic Astronomical Observation Lecture
 2. Introduction to Astronomical Equipment
 3. On-site Stargazing Session

To ensure fair participation across all grade levels, **4 spots are allocated per class**. If more than 4 students from a class apply, participants will be selected by **lucky draw**. If a class has fewer than 4 applicants, the remaining spots will be entered into a school-wide lucky draw. To prioritize families who have not yet experienced this event, students who participated last year will be placed on a **waiting list**.

Parents are welcome to bring simple stargazing gear for their children—such as **small tents, floor mats, or binoculars**—to comfortably lie on the playground and enjoy the night sky. Please complete the **Electronic Notice** for your child by **January 13**. Results will be announced via **eClass SMS on January 23**. Should you have any inquiries, please feel free to contact Vice Principal Fan.

Mr. Lo Wan Kai (Supervisor)
Ms. Kwok Yuen Ki (Principal)

Notes(1) Students may wear casual clothes to school on that day.

(2) In case of inclement weather or special circumstances on that day, please pay attention to school announcements.
