Reminders for the New School Year

Dear Parents,

The first day of school is approaching. We know all parents and students are excited about it. In order to welcome all students back to study in a comfortable and safe environment, the school has added a lot of new equipment during the summer holidays. We also hired an external cleaning company and a comprehensive anti-viral disinfectant coating process was completed for the school on 16th August. In addition, the Education Bureau has announced that all primary schools in Hong Kong will continue to have half-day classes as the learning mode in the new school year, so parents are advised to pay attention to the class schedule. This will be distributed later.

In order to help parents understand the issues related to the new school year, the school will arrange lectures entitled 'Learning more about the current situation at school' and 'Talking with teachers about the key points of learning' over ZOOM. Related links will be distributed to parents via ParentsApp on the day of the lectures.

We hope that parents can take time to participate in these live events with their children, continue to maintain good home-school communications, and establish positive parent-child relationships.

In addition, parents are requested to remind their children to arrive at school before 8:50 a.m. on 1st September (Wed), wear neat school uniform (sports clothes are not suitable), bring stationery, and follow instructions about which classroom to enter when they arrive at school.
