2022-2023 Putonghua and Music Interdisciplinary Activity Day

Dear Parents,

In order to encourage students to develop in a variety of ways and to enhance their motivation and interest in learning Putonghua and Music, our school will hold a Putonghua and Music Interdisciplinary Activity Day on 15th May (Monday).

The activity day mainly includes the following contents:

Sing! KMS: This will provide a stage for students to showcase their Putonghua and music talents, including Putonghua song solos, Putonghua choir songs, Putonghua story recitals, Putonghua scene recitations, teacher Putonghua talent show, etc.

Knowledge Contest: This will be carried out in the form of a competitive game, entertaining students and helping them to learn more.

KMS Bazaar: This will create the experience of a Putonghua language environment to give students the chance to use Putonghua.

(Students will receive KMS Bazaar vouchers after completing competition tasks; they do not need to bring cash into school)

In addition, in order to meet the needs of national education, relevant lectures will also be arranged on the same day.

Theme for P.1 to P.3: China's 56 ethnic groups

Theme for P.4 to P.6: Teenagers' Chinese Dream

We hope that parents will support and encourage their children to actively participate in the activities, cooperate with home and school, and explore their potential. If you have any queries, please contact Miss An or Miss Lo.

Mr. Yung Chi Ming (Supervisor)
Ms Kwok Yuen Ki (Principal)

Remarks:

1. 15th May (Monday) is a full-day event, morning tutoring classes and homework classes will be cancelled. Students need to come to school before 8:30 a.m. in accordance with the normal school time, and the dismissal time is 15:10 p.m.
2. There is no need to bring books or hand in homework (unless the subject teacher has special requirements).
3. Students should bring a light rucksack, drinking water, stationery and a fully charged iPad to school.
3. Students participating in the "Sing! KMS" performance can dress according to the performance requirements, and other students must wear PE uniform.
