Cross-subject Day - "Cheung Chau Traffic"

Dear Parents,

In order to cultivate students' interest in learning and provide them with a rich learning experience, our school will hold an interdisciplinary day activity with the theme of " Cheung Chau Traffic". It aims to provide students with opportunities to demonstrate their individual and collective talents in various learning areas through a series of diversified learning activities.

The details of the event are as follows:

Date: 30th June, 2023 (Friday)

Time: 8:45 a.m. – 3:10 p.m.

Activities of the day: AR/VR, scratch production and report, old songs and new lyrics, obstacle course, show and tell, short play report and booth, etc.

Dressing code: Sports uniform

We sincerely hope that all parents will encourage their children to join the activities on that day. If you have any queries, please contact Mr Lau.

Mr. Yung Chi Ming (Supervisor)

Ms Kwok Yuen Ki (Principal)
