Library Inventory and Summer Reading Suggestions

Dear Parents,

We are going to conduct a stocktaking, arranging bookcases and painting walls projects for our school library from July 10 to August 30, 2023. At that time, the library service will be suspended. All students, please return all school books before July 10, 2023, and return them to the appropriate location according to the source of the books.

In order to encourage students to read, make good use of their spare time, and cultivate good reading habits, the school arranged Fun and Friends to add six sets of classic English stories. It is recommended that students read and listen to no less than two Fun and Friends English books every day during the summer vacation. In addition, the school also orders over one hundred Chinese books at Hyread for students, some of which are also Mandarin audio books. It is expected that students will continue to listen, read, read aloud and share the content of books with their families every day, so as to prepare for independent reading in the future.

It is recommended that all levels complete the project during the summer vacation:

Grade in Coming Sep.	Fun and Friends English Book	Hyread Chinese Book	Read aloud every day Time
Grade 1	STEM 1, Pre-level 1 and Level 1	> 3 books	>15 minutes
Grade 2	STEM 2, Level 2 and Level 3	> 5 books	>15 minutes
Grade 3	STEM 3, Level 4 and Level 5	> 7 books	>15 minutes
Grade 4	HOT ISSUE 4, Level 5 and Level 6	> 8 books	>15 minutes
Grade 5	HOT ISSUE 5, Classic 1	> 8 books	>15 minutes
Grade 6	HOT ISSUE 6, Classic 1	> 8 books	>15 minutes

Students, please actively complete the above tasks, and fill in the form on the back page. After the summer vacation, return the reading records to Ms. Chiu in the library, and you will receive a certificate and a gift. If you have any questions, please contact Ms. Chiu from the library.

Sincerely,

Mr. Yung Chi Ming (Supervisor)

Ms. Kwok Yuen Ki (Principal)
