Measuring for and ordering school jackets' arrangements

Dear Parents,

Our students' school jacket supplier belongs to another school uniform company, Tim Kee Schools Uniform. The school will help students buy school jackets. Please fill in the reply slip below and give the required amount to your child's class teacher by 20th September, 2022. The school will have the school jackets on site for parents and students to see from 13th – 20th September. Students can try on the school jackets in the front office. For enquiries, please feel free to contact Ms Kwok Siu Fan.

School jacket style: 'Space jacket' style. It is mid-length and made from two different layers of material, so the inner layer can be worn by itself or both layers worn together on cold days. The collar comes with a hidden folding hood, which is wind and water proof.

Outer jacket: Red, space jacket material, wind and water proof, in blue cotton and there is a school badge on the top left-hand side.

Inner jacket: Dark blue, long sleeves, made from wool, yellow school name initials on the top left-hand side, can be used as an autumn jacket and worn on cool days
