**New arrangements about Primary One students vaccinations for diphtheria, tetanus, acellular pertussis and inactivated polio vaccine (DTaP-IPV)**

Dear Parents/ Guardians,

The school has been notified by the Department of Health that the department will still come to the school on 19<sup>th</sup> January, 2021 (Tuesday) for those Primary One school children who need vaccinations. However, in view of the severe epidemic situation, our school will make the following arrangements:

19/1(Tue)	Please remind your child to come to school at 11:30 a.m. and wait for the vaccination in classrooms 1A and 1B. They will be able to leave school at 12:15p.m.
-----------	---

Notes:

1. Online learning will be suspended on that day.
2. Students should consume food before their injection on that day and wear short-sleeved clothes.
3. If the vaccination record has been lost, parents can apply for a replacement at their Maternal and Child Health Centre.

For enquiries, please feel free to contact Principal Kwok Yuen Ki or Ms Kwok Siu Fan.

Mr. Lau Hon Wing (Supervisor)
